15. HOUSEKEEPING OF RESIDENTS ROOMS

Residents are responsible for daily upkeep of their rooms (dusting, tidying, making bed, daily garbage removal, etc.) For health and sanitation reasons, cleanliness is expected.

Housekeeping staff will thoroughly clean the bathroom, wash floors, vacuum and change bedding & towels once per week. See **page 15** for cleaning schedule. Residents are asked to leave their room while it is being cleaned.

Housekeeping staff will defrost fridges every two months as required, whether the fridge belongs to the Foundation.

Housekeeping staff will conduct a “Deep Clean” once a year. This will include wall washing & carpet shampooing.

Lodge staff are not responsible for breakage of personal items that are kept in a resident’s room nor for the care and cleaning of those items.

*****Please see page 3 (1B) for specific housekeeping for the 500 wing Suites*****

16. ISOLATION PROCEDURES

When a resident becomes ill, they will be asked to remain in their room to protect the rest of the population. During this time, all meals will be served to the resident in their room. They will be checked on by the Home Care nurse to keep track of their symptoms.

Visitors are allowed while a resident is in isolation provided:

- They wear a gown, gloves, and mask while inside the room.
- They do not visit any “well” residents after being inside the isolation room.

The Resident Manager or Home Care nurse will determine when an isolated resident will be allowed out of their room based on the type of illness and symptoms. At this time, the housekeeping staff will conduct a “Deep Clean” and the resident will not be allowed to re-enter their room until that is complete.

17. LAUNDRY

For residents who wish to do their own personal laundry (excluding bedding & towels), the laundry room in the 200 wing is available for residents use Monday to Sunday from 7:00 am to 11:00 pm.

The DDSF has a Project Operations Manager who oversees the maintenance department. There are 2 maintenance staff on daily during weekdays, and 1 on call during evenings, weekends, and holidays. Residents may report any concerns or repairs needed to any staff member and they will contact maintenance.

The Sunshine Lodge does not provide personal care services. Home Care comes into the Lodge daily to provide the following scheduled services to those who require it:

- Bath Assist
- Medication Assistance
- Dressing and other personal care

If you are new to the Home Care program, please contact the Continuing Care Access Centre at 1-855-371-4122. The local Home Care office number is 403-820-6020.

20. HAIR SALON

There is a licensed Hairdresser at the Sunshine Lodge Tuesdays and Wednesdays. Thursdays by appointment if needed. Residents are responsible for making their own appointments and paying their own charges directly to the Hairdresser. Prices are posted in the Salon.

21. RECREATIONAL EQUIPMENT

The Sunshine Lodge has recreational equipment for resident use. There is a Waiver included in section 17 of the Tenancy Agreement.

22. APPOINTMENTS

Residents or their family/friends are responsible for making outside appointments and/or travel arrangements. (For example: doctor, denturist, Valley Bus, etc.)

23. TRANSPORTATION

Residents are responsible for arranging their own transportation outside the Lodge.

- Valley Bus Service – 403-823-1319
- Drumheller Taxi – 403-436-4360

24. SAFETY AND SECURITY

The DDSF takes all reasonable precautions for the safety and security of all residents. This includes 24-hour **non-medical** staffing, checking on residents who do not come out for meals and alarmed security doors at night. In addition, the CAO (or delegate) will contact family or Home Care staff should a health issue arise. Despite these measures the DDSF cannot guarantee individual monitored supervision as residents are free to come and go as they wish at any time.

The outside doors are locked at **9:30 pm** daily. If a resident is out past 9:30 pm they are to push the large red button in the entrance way and wait for staff to come and open the door. Residents are asked to sign out at the front desk when they plan to be out past 9:30 pm.

If in trouble while in your room, push the button on your Emergency Call Pendant (you should feel it vibrate), or pull the cord on the wall in the bathroom to call staff for assistance.

All inspection reports related to Accommodation Standards or Health & Safety are available for you to read. They are in a binder in the reception area.

When a resident chooses to engage in a risk activity or chooses to live in an accommodation that cannot fully meet their needs, the resident or their representative and the accommodation enter into a Managed Risk Agreement whereby the consequences of or liability for the risk is determined. See the Resident Manager for more information.

Resident safety in the event of a power outage is a concern. Residents are required to have a working flashlight in their room. Candles are not allowed.

25. WATER TEMPERATURE SAFETY

The DDSF has policies and procedures in place to ensure the provision of safe bath and shower water temperatures for all residents at Sunshine Lodge. The hottest flowing water in bathtubs, showers, and all other taps that can be accessed by a resident shall not exceed 49°C. Policies and procedures are available at the reception desk.

26. RESIDENT SURVEY

A survey will be handed out to all residents annually to collect the opinions of the different services provided at the Lodge. The results will be discussed at the first resident meeting following completion of the surveys. Management also has an “open door” policy for all concerns as they arise.

27. VALUABLES

For security reasons, residents are encouraged to lock the door to their room while absent. The DDSF will not be responsible for lost, stolen or mislaid property of a resident. Residents are discouraged from keeping large amounts of cash in their rooms. To facilitate a secure method of cash control while at the same time allowing each resident the independence to handle their own finances, management will make available to each resident the use of a “trust” account which may be established with the receptionist for those residents requesting this service.

28. EMERGENCY SITUATIONS

For residents and staff safety, fire drills are conducted on a regular basis. Fire procedures are posted on the inside door of all resident rooms. Refer to **pages 16-18** in this handbook for Fire Procedures.

In the case of an emergency, or perceived emergency, staff have the right to enter your room. The resident irrevocably authorizes DDSF staff to call an ambulance (if necessary) and then to notify the family member or contact person.

29. PERSONAL DIRECTIVES AND POWER OF ATTORNEY

Residents are encouraged to provide a copy of a Personal Directive and/or Power of Attorney to the Resident Manager, as well as Home Care (if the resident is a Home Care client).

30. RENTAL RATES AND INCREASES

Rental rates are set by the Board of Directors and are reviewed annually. If there is an increase in rent, residents will be informed in writing 3 months in advance.

Rent is due on or before the first of each month and can be paid to the receptionist between 8:00 am – 4:00 pm weekdays. Electronic funds transfers are accepted for your convenience. Please refer to the complete price list on **page 13**.

Full rental rates apply to all accommodation while the resident is absent from the Lodge regardless of the reason for the absence.

DDSF requires all residents to submit a copy of their Notice of Assessment after the completion of their income tax return annually to ensure the following:

- Resident’s annual income must be less than **the income threshold** to qualify for LAP (Lodge Assistance Program) grant funding. If a resident’s income is higher there will be \$450 added to the Basic Rent.
- Each resident is left with a minimum of **\$365** after the payment of the Basic Rent.

31. RESIDENT EVICTION

The CAO &/or Board of Directors of the DDSF reserves the right to request a resident to vacate the premises, in any of the situations as listed in Section 12 of the Tenancy Agreement.

In the event of a Lodge resident physically assaulting another resident or staff member the RCMP will be called. Immediate eviction may follow.

32. RELOCATION WITHIN THE LODGE

When relocation of a resident within the Lodge is requested by the resident, the resident is responsible for all expenses of his/her location, such as change of address and/or transfer of the telephone.

33. DAMAGES

The DDSF strongly recommends that you carry contents & liability insurance as the Foundation's insurance policy will not cover personal loss. This is the responsibility of the resident.

In the event that DDSF property is damaged by a resident or one of a resident's guests, the resident will be responsible for payment of the damage. Any damage caused by resident negligence will be the financial responsibility of that resident.

No additions, extensions, fixtures, or renovations are to be done to any DDSF property without prior approval.

Residents or their families are responsible for the cost of repairing any damage beyond normal wear and tear, which occurs in a resident's room. All items of a permanent nature fastened to DDSF property are to remain in the room when the resident vacates. Residents and their families are responsible for hanging pictures and related items to minimize damage to walls. Do not use any glued or stick on tab type hangers. Please use picture hooks (small nails) rather than screws.

34. MOVE OUT PROCEDURES

When a resident moves out of the Lodge and the resident's personal belongings have been removed, a Move Out Inspection Form will be completed by Management and signed by the resident or their designate. The resident will be charged for damages to DDSF property beyond normal wear and tear.

TV cable box, cords (HDMI) and remote are to remain in the room.

All keys and pendant are to be returned at this time.

35. MOVE TO A HIGHER LEVEL OF CARE

When a resident of the Sunshine Lodge has been determined by the DDSF (in conjunction with Home Care) to have reached a health status level that requires assistance beyond what

is provided, the resident will no longer be eligible for accommodation at the Sunshine Lodge.

36. DECEASED RESIDENT PROCEDURE

The DDSF has a policy in place regarding death of a resident. Policies are available at the reception desk.

Responsibility will not be accepted by the DDSF for any unauthorized entry made by family or friends holding a room key.

After the deceased resident's personal belongings have been removed, a move out inspection form will be completed by Management and signed by the residents designate. Keys and pendant are to be returned at this time.

The estate will be billed for any outstanding charges. (i.e., rental charges, damages to DDSF property beyond normal wear and tear, etc.) If there is no damage beyond normal wear and tear a cheque for the refund of the security deposit will be issued to the estate.
